

Getting to Know your City Club of Boise Member Benefits

Member-Only Events

All Membership levels receive email notifications of upcoming Member only events. Though these events are intended for our Members, we do allow for Members to bring one guest, space permitting.

Member Pricing

All Memberships receive a discounted rate to attend City Club Programs. In addition, **Silver, Platinum, and Gold** Members enjoy complimentary attendance (lunch included) to all Forums throughout their Membership term. A coupon code is provided to be used when registering online to ensure a charge is not incurred. **Please note Member Events (such as Salons, Tours, and After Hour) and Special Events (Marilyn Shuler, Pundits, and Stimpson) are not included and will require payment upon registration.*

Online Member Directory

The online Member Directory is one of our newest Member benefits! All Membership levels (excluding student) have access to view the Online Member Directory. Login is required and access is granted to current Members only. If a Member would like their information excluded, they can opt-out at anytime via the online portal.

**Further information regarding opting out can be found online.*

Member Name Badge

Gem, Bronze, Silver, Gold, and Platinum Members all have the option to receive City Club issued magnetic name badges. These badges are available at Forums upon check in located in bins organized by assigned member numbers. For convenience we also collect these badges at the conclusion of Forums so you don't have to keep track of them. If you choose not to have a City Club issued badge, that's okay, we print paper tags as well for Forum registrants.

Member Recognition at Lunch Forums

Bronze, Silver, Gold, and Platinum Members/Member Households will be visible on a running list of Members and their Membership levels via a monitor stationed in the lobby at the venue during Forums. You can certainly opt out of this option by notifying the City Club office.

City Club Roundtable Lunch

We are very excited for the inclusion of this benefit for our **Silver, Gold, and Platinum** Members! Twice a year the Club will host an Invitational Roundtable with our Executive Committee and qualifying Membership to cultivate conversation about what the Club is doing, will do, and thoughtful discussion around both. The Roundtable will be a great platform for civil conversations geared towards engagement in City Club of Boise and where we are headed. We look forward to hearing from you!

City Club Head Table Seating

At each City Club Forum there is a Head table that includes the speakers/panelists, their guests, the City Club President, moderator, honored sponsors, and now we extend the opportunity for 2 guests at up to 2 Lunch Forums per year for our **Gold, and Platinum** Members.

Quarterly City Club Newsletter Member Highlight

Disseminated to our over 2,800 subscribers, our Quarterly Newsletter will now highlight a **Platinum** Member each quarter.
